Benefits of Soft Water in Your Home

- Clothes and linens are cleaner, brighter, softer and last longer
- Dishes, glasses and silverware will be cleaner and spot free
- Soft water prolongs the life and maintains efficiency of all water using appliances: dishwasher, hot water heater and washing machine
- Faucets, fixtures, and pipes will last longer, eliminates hard water deposits and reduces corrosion
- Baths and showers will be more refreshing, leaving your skin feeling smoother and your hair softer and more manageable
- Reduced soap scum, residue and spotting on shower doors, tubs and sinks
- Save money by using less soap, shampoo, dish detergent and cleaners
